A message from the president

Dear Crusaders,

I hope that the school year is going well – full of new friends, challenging classes, and fun activities. The summer was a major success for The College Crusade. In addition to running dozens of great programs, our Crusaders had the chance to participate in numerous college visits both in Rhode Island and out of state.

During the summer, The College Crusade also had the good fortune to bring on a dozen new Crusade Advisors. I have met with all of them and have already seen them in action. Their commitment to helping Crusaders and their families is both inspiring and infectious. Please be sure to be on the lookout for new opportunities to participate in Rhode Island’s Advanced Course Network, which makes it possible for middle and high school students to participate in interesting college-level courses. It’s exciting that Crusaders will have the opportunity to earn college credit for these courses.
