

3 ways The College Crusade increases student success:

KEY: ■ Crusaders ■ All students in RI core urban districts ■ All students in RI

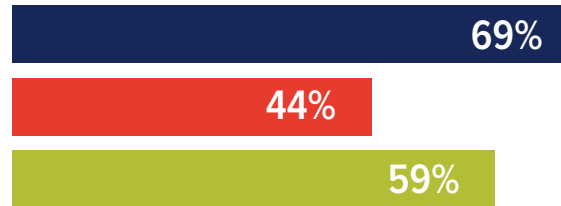

COMPLETING HIGH SCHOOL

Crusaders continue to graduate from high school within four years at higher rates than their peers in Rhode Island urban schools and are steadily closing the graduation gap.

ENROLLING IN HIGHER ED

Crusaders go on to college right after high school at higher rates than all Rhode Island students.

Immediate college enrollment rates 2015

STAYING IN COLLEGE

Crusaders persist to a second year in college at higher rates than all Rhode Island students.

First-year college persistence rates for 2015/2016 (most recent data)

Data sources: The College Crusade of Rhode Island, RI Department of Education, and Rhode Island Kids Count.

Over \$3.1 million

in scholarships awarded this year: \$2,290,460 donated by our higher education partners + \$845,483 provided in cash

907 Crusaders

received scholarship awards this year

\$3,457

average scholarship amount awarded per student this year
