

THE COLLEGE CRUSADE
OF RHODE ISLAND

For Middle School Crusaders

2018-2019 Program Requirements and Electives by Grade

As a middle school Crusader, you participate in our Requirements and Electives. This schedule shows the **Requirements you must do** and the **Electives you can choose to do**. All our requirements and electives are designed to help you make the most of your middle school years and prepare you to go on to high school.

Each Crusader has a **Crusade advisor** whose role is to provide you with encouragement, support, and resources to help you succeed. Crusaders in non-advisor schools can meet with an advisor at Saturday Cru Club. Be sure to take advantage of everything you can!

6th	Requirements 6th-grade Orientation CAAP* Cru Club* Career Exploration* Summer Reading (2 books & 2 book reports)	Electives Saturday Math Academy Writing Program ReadMore Science programs Early College Knowledge College visits Money 101 Sports Writing program Wheeler Summer Camp
7th	Requirements 7th-grade Orientation CAAP* Cru Club* Career Game Career Exploration* Summer Reading (2 books & 2 book reports)	Electives Saturday Math Academy Writing Program Science programs Early College Knowledge College visits Money 101 Sports Writing program Wheeler Summer Camp
8th	Requirements 8th-grade Orientation Transition activities CAAP* Cru Club* Career Exploration*	Electives Saturday Math Academy Writing Program Money 101 College visits Forensics program Sports Writing program

***Notes:** **CAAP:** You only need to do this requirement once, and you can select in which grade to do it. It is offered October to December and February to May and in 2-week sessions over the summer.

Cru Club: You must complete 9 hours of Cru Club each academic year. You can complete your required hours after school if you attend a school with an Advisor, or you can attend Saturday Cru Club.

Career Exploration: You must participate in one career visit, career day, or guest speaker before leaving middle school. Crusaders can participate in other career exploration opportunities through Cru Club.
